 - i. 201801001 – 201801100 - <https://meet.google.com/lookup/btgkai2mtc>
 - ii. 201801101 – 201801200 - <https://meet.google.com/lookup/acw4baczo2>
 - iii. 201801201 – remaining students -
<https://meet.google.com/lookup/a5572agvh4>
 - iv. Additional link if limit reached error-
<https://meet.google.com/lookup/gbrq3jbs2u>
2. As soon the basic explanation is completed for the lab. Students need to **join the respective classroom link (provided in the orientation session)** for the remaining time of the lab time till 12noon.

During Labs Time

1. Each TA has been assigned 32 students to mentor during semester for the labs.
2. You will be added to a google classroom, which the assigned TA will mentor for the remaining semester.
3. **The meet link of the Classroom will be used by the students and TAs.**
4. TAs will solve the doubts of students on the Meet chat or Audio/Video conversations of the assigned classroom meet link during Lab time.
5. TAs will solve the doubts of students on the classroom chat / audio/video conversations, if students have any doubts even after the lab session time.

Labs Submissions

1. The team needs to submit the solution for the lab assignment on moodle.daiict.ac.in before the given deadline in the given format for each lab.
2. Students need to make sure they are registered for the course and are able to submit their assignments on the Moodle website.

Labs Attendance and Viva

1. TAs will take viva of (randomly picked up) 2 students from each team/group during 3hrs of the lab session.
 - a. The 2 students will be randomly picked from the team. However, All students need to be available during the viva.
2. Submission Marks

- a. **TAs will give marks on Moodle, 0,4,8,10. The marking will be based on the viva and previous lab submission on Moodle.**
 - i. **Absent – 0**
 - ii. **Not working/ partially working – 4**
 - iii. **B grade, working but not the best possible work – 8**
 - iv. **A grade - 10**
3. TA will record attendance anytime during the **3hrs** of lab. Students need to be available online on the assigned classroom's meeting and work on the lab assignments.
 - a. **Absent - 0**
 - b. **Present - 10**
4. How TA will take your viva?
 - a. Each TA will be monitoring 2 Google Meets during the Lab.
 - b. 1st Classroom link of Meet for all 32 students, where TA will solve student's doubts.
 - c. The TA will share the 2nd Meet link to 1st Meet's chat.
 - d. TA will Invite each group, one by one by sending team ID on 1st Meet's chat.
 - i. Make sure all 4 group members are present.
 - e. TA will Remove two students (randomly picked up) from Meet, and take the viva of the remaining two.
 - f. **TA will Note down their ID on Moodle, and put the marks at the same time. All the members of a group will be awarded the same marks based on the viva conducted for randomly chosen 2 members of the group.**
 - g. TA will convey the marks to you, and give the reason why less if not awarded full.
5. **Its students' responsibility to make sure that assigned TA has taken their Attendance and Viva of their Group before leaving the Lab Meet link.**
 - a. **No arguments will be entertained after the completion of lab.**

Contact TAs after lab hours

1. Use the google classroom chat, which is assigned to you to ask doubts regarding lab to the assigned TAs. The assigned TAs will reply you on the classroom.
2. If you have further question. Send an email at mayank@daiict.ac.in.

Assignment of Classroom and Meet link

1. Each team will be sent an invite to join one of the classroom from below 10.
2. All the student team members need to accept the invite and use the Google meet link of the assigned classrooms to stay online and connected with TA during lab hours.
3. You will be able to join google classroom only by DAIICT email. So if error comes of classroom does not exist. Then check the gmail account you have logged in with and switch to DAIICT account on from the right corner. & Make sure you have opened the correct classroom link which is assigned to you.
